TAKE ADVANTAGE OF OUR EXPERIENCE

Our extensive experience, specializations, and real estate backgrounds allow us to handle the widest array of settlement-related services.

With literally thousands of real estate transactions behind them, each member of our staff is dedicated to bringing their expertise to your purchase.

RELAX WHILE WE TAKE CARE OF THE DETAILS

Selling an investment property can result in significant tax liabilities. Real estate investors can defer costly capital gains tax by closing their sale through our qualified Section 1031 intermediary, Landex Exchange Services, LLC.

The process and details of buying and selling a house can be overwhelming. Settlement Support Services takes the hassle out of preparing a property for closing by coordinating all of the required inspections and time consuming paperwork.
